EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Leff on 10/17/07.

In claim 1 for the definition of R5

Delete " 2) heterocycle ".

Also delete after R5

" is independently selected from 1) "

For the definition of R4 after aryl,

Insert – and –

And after 5) delete "and 6) ".

Status of the Claims.

The rejection of claims 1-3, 5 and 6 has been withdrawn. Applicants have amended the claims to delete the heterocyclic group for the definition of V..

The rejection of the claims 1-3 over Belanger et al US 4332810 has also been withdrawn as applicants had amended the claims in the previous amendment.

The double patenting rejection over US 10/510611 has been withdrawn as applicants have abandoned the co-pending application.

Claim 22 has been amended to cancel the term "pharmaceutical" to overcome the 112 issues. Applicants have now also cancelled the withdrawn claims.

Thus the claims 1-3, 5 and 22 are found to be allowable.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rita J. Desai whose telephone number is 571-272-0684. The examiner can normally be reached on Monday - Friday, flex time..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Janet Andres can be reached on 571-272-0867. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
